

**Our Mission:** The Australian Garden History Society promotes awareness and conservation of significant gardens and cultural landscapes through engagement, research, advocacy and activities.

Formed in 1980, the AGHS brings together people from diverse backgrounds united by an appreciation of and concern for our parks, gardens and cultural landscapes as part of Australia's heritage.

## Would you like to donate to the Australian Garden History Society?

The Society is affiliated with the Australian Council of National Trusts and is thereby able to benefit from the Trusts' Tax Deductible Status.

All donations to the Trust are tax-deductible. The Australian Tax Office permits the Trust to extend this tax-deductibility to heritage-related appeals operated by other organisations. These appeals are known as 'External Appeals'.
