## First prize

A plant for the winner's school with a plaque, plus \$200 for the writer and AGHS membership for their chosen gardening inspiration.

## Runners up

Three runners up will receive a \$75 nursery voucher and one year's AGHS digital membership for the grandfriend.

The Australian Garden History Society will publish the four winning stories, with the writer invited to submit an illustration/photograph to accompany the story.

## About AGHS

The Australian Garden History Society was founded in 1980. It brings together people who care about parks, gardens and landscapes that are part of Australia's history. AGHS wants to help people learn about the history of old and important gardens and landscapes and how to care for them. This means looking at how gardens and gardening relate to people, history, literature, art and science.

The Australian Garden History Society acknowledges Traditional Owners of Country throughout Australia.

We pay respect to Aboriginal and Torres Strait Islander cultures and to Elders past, present and emerging.
